IN THE SENATE OF THE UNITED STATES,

FEBRUARY 20, 1851.

Read twice, and referred to the Committee on Finance.

---

**AN ACT**

Making appropriations for the support of the Military Academy, for the year ending the thirtieth June, one thousand eight hundred and fifty-two.

1      *Be it enacted by the Senate and House of Represen-*  
2      *tatives of the United States of America in Congress*  
3      *assembled,* That the following sums be, and the same are  
4      hereby appropriated, out of any money in the treasury not  
5      otherwise appropriated, for the support of the Military  
6      Academy, for the year ending the thirtieth June, one thou-  
7      sand eight hundred and fifty-two :

8              For pay of officers, instructors, cadets, and musicians,  
9      eighty-seven thousand four hundred and thirty-six dollars.

10             For commutation of subsistence, two thousand two  
11      hundred and sixty-three dollars.

12             For forage of officers' horses, eight hundred and  
13      sixty-four dollars: *Provided,* That hereafter, in lieu of the  
14      pay proper, ordinary rations, forage and servants, hereto-

fore received under the provisions of the act of April twelfth, eighteen hundred and twelve, the Professors of Engineers, Philosophy, Mathematics, Ethics, and Chemistry, shall be entitled to receive two thousand dollars each, per annum, and the Professors of Drawing, and French, fifteen hundred dollars each, per annum, and that the Adjutant of the Military Academy, shall hereafter be entitled to receive the same pay and allowances as an Adjutant of a regiment of dragoons.

For clothing of officers' servants, thirty dollars.

For repairs and improvements, fuel, apparatus, forage for public horses and oxen, stationery, printing, and other incidental and contingent expenses, twenty-seven thousand one hundred and thirty-five dollars.

For increase and expenses of the library, one thousand dollars.

For expenses of the Board of Visitors, including deficiency in the appropriation for the fiscal year ending thirtieth June, one thousand eight hundred and fifty-one, three thousand eight hundred dollars.

For expenses of practical instruction in field engineering, comprising purchase of lumber, iron, tools, brush, &c. &c., for construction of trenches, field batteries, magazines, gun and mortar platforms, descents of ditches, mines, and other temporary work, five hundred dollars.

40       For erecting quarters for engineer troops, five thou-  
41 sand dollars.

42       For apparatus for warming Academy and other  
43 buildings with hot air, two thousand five hundred dollars.

Passed the House of Representatives: *February* 20, 1851.

Attest,

**RICHARD M. YOUNG**, *Clerk*.
